

Mid-America
Orthopedics

Platelet Rich Plasma
(PRP) THERAPY

TREATMENT SCHEDULING PROCESS:

- 1** Your provider will order the PRP treatment.
- 2** The treatment order will be sent to your provider's patient care coordinator and our billing department to be processed.
- 3** A patient account specialist will contact you regarding cost and payment for the PRP treatment.

Please note: Since this is a fairly new procedure, most insurance companies have not incorporated it into their list of approved procedures. Personal payment arrangements will be required prior to scheduling the procedure.
- 4** Upon completed payment agreement, you will be transferred to our scheduling department to book your appointment.
